

## PRODUCT INFORMATION

# PUR 90 SHA RUBBER SHEET

### BENEFITS

PUR 90 ShA is used where there are requirements for abrasive resistance.

The rubber sheet has also good resistance to ozone, oil, fuel and weathering in general.

### SPECIFICATION

<b>Hardness Shore A</b> <b>Hardness Shore D</b>	90 ShA 37 ShD
<b>Tear Strength</b> DIN 53507	55 N/mm
<b>Tensile Strength</b> DIN 53505	40 N/mm <sup>2</sup>
<b>Elongation at Break</b> DIN 53504	500%
<b>Abrasion Loss</b> DIN 53516	<50 mm <sup>3</sup>
<b>Temperature range</b>	-30°C - 80°C
<b>Specific Gravity</b> DIN 53479	1,24 g/cm <sup>3</sup>

### MATERIAL

- Polyurethane

### STABILITIES

- Ozone resistance: good resistant
- Weather resistance: good resistant
- Oil resistance: good resistant
- Fuel resistance: good resistant
- Abrasion resistance: good resistant
